(Insert e-signature and pdf prior to submission)

Activities accomplished:

Tell us in two pages maximum (as attachment with 12 font-size Arial) what you do and have accomplished in your career (in a company/organization/ CSO/NGO or individually) in the development and implementation of biogas project/Program for cooking or for electricity production especially in peri urban and rural communities. What are your plans or ongoing activities in this area?

Provide documentary evidence (certificate of registration, Bank statement, Recognition by the Ministry/municipality, activities or projects/Programs, etc)

Logistics Note:

For International participants (nationals from other ECOWAS Countries), ECREEE supports air tickets, COVID tests and accommodation (lodging, lunch and refreshment breaks).

For registered national participants, ECREEE supports lunch and refreshment break during the training period.
